Certification of No Change or Non-Material Change On Behalf of Registered Franchisor

As an authorized representative of _____
(Franchisor), I certify as follows:

1. On approximately _____ (the "Registration Date"), the U.S. Small Business Administration ("SBA") listed among others, _____ on its Franchise Registry as complying with the SBA's Franchise eligibility guidelines.
2. This registration followed the SBA's review of a package of documents (the "Franchise documents") that franchisor requires franchisees to sign in order to participate in the _____.
3. (Check one of the following):

_____ There have been no changes to the Franchise Documents since the Registration Date or the date of last recertification, as per attached opinion of FRANDATA.

_____ There have been Non-Material Changes (changes to the Franchise Documents that are not related to SBA's eligibility guidelines and that do not require a change to worksheet responses) since the Registration Date or the date of last recertification. I have submitted to SBA's contractor, FRANDATA, a copy of this certification, a complete set of the current Franchise Documents, and a redlined set of the Franchise Documents indicating all revisions since the Registration Date or the date of last recertification.
